Property:

Between Marbella and Sotogrande and surrounded by 150 hectares of countryside is this 60-unit complex. Much more than just a summer home it is a truly unique place in which natural beauty, a splendid climate and total comfort meet, all according to most exacting of contemporary standards.

The apartments recreate the traditional architecture of Spain, adding only the best features of state-of-the art contemporary design.

One, two, and three bedrooms homes, with private gardens at ground floor level, generously proportioned terraces on the first floor, or duplexes with terrace on each floor. In each one, we have given special attention to individual design, selecting only the materials of the very highest quality. Ready to move in.
