Property:

There are apartments with 2 or 3 bedrooms which include spacious balconies with sea views, a fully fitted kitchen with an adjoining laundry room, a bright living-dining area, a swimming pool, storage room and a secure garage. Alternatively there are 2-level penthouses with 3 bedrooms and landscaped terraces. All of the apartments are built to the highest specifications and come complete with air conditioning, a safe in the main bedroom and satellite TV. In the private club there is an indoor pool, games room and gymnasium. There is also a comprehensive alarm system with surveillance cameras that are controlled from the reception area.

Phase I totally completed.
